

# PaleoFest

Burpee Museum of Natural History - Inspiring all people to engage in a lifetime of learning about the natural world.

**Dr. Robert T. Bakker - Key Note Speaker**

### Expedition Dinner Lecture

Saturday Night, March 7th  
Veteran's Memorial Hall  
211 N. Main St., Rockford

Doors open at 6:30pm

Buffer Dinner at 7:00pm

Balcony Seating Opens 7:30pm

### Presentation "Veggi-saurs Rule!" at 8:00pm

Dr. Robert T. Bakker, Curator with the Houston Museum of Natural Sciences, will guide us into the world of duckbilled dinosaurs. Showcasing Leonardo, the world famous duckbill "mummy" now on display at the Houston Museum of Natural Sciences. Learn more about the cool dinosaurs that are not the big meat-eaters. Read more about Dr. Bakker at [www.hmns.org](http://www.hmns.org) or visit [www.burpee.org](http://www.burpee.org) to learn more about PaleoFest and Burpee events.

**PaleoFest is sponsored in part by:** AT&T, Chase Bank, CoCo Key Water Resort at the Clock Tower Resort, Cliffbreakers Riverside Resort and Lexington Hotel, Comcast, Engine Studio, ESCONI, Estwing, FedEx Kinkos, RACVB, Rockford Park District, Swedish American Medical Foundation, Mr. Frank Tully

## What to Know

\* All lectures take place in the Riverfront Museum Park Auditorium (RMP)

**10:30AM Holly Woodward, Montana State University\***  
*Moia, How You've Grown!*  
Exploring Maasaur growth dynamics.

**10:30AM Nancy Englehart-Moore, Devon Energy\***  
*Marine Microfossils*  
What are they and what are their uses?

**11:00AM Family Workshop, Mahlborg Auditorium**  
*Good Mother Maasaur*  
Maasaur cared for their young! Learn more about baby dinosaurs, make a Maasaur and nest.

**11:00AM Family Workshop, Mahlborg Auditorium**  
*Mighty Mosasaurs*  
Discover these predators of the ancient cretaceous seas, make a take home "mini" mosasaur diorama.

**12:00PM John Pojeira, Ph.D., Smithsonian Institute\***  
*Amateurs Rock!*  
The Importance of Local Fossil Collectors to Paleontology

**11:45AM Mike Triebold, Triebold Paleontology\***  
*The Mosasaur Summer*  
Mike Triebold describes the summer his team collected 13 mosasaurs and explains how and why they did it.

**1:00PM Family Workshop, Mahlborg Auditorium**  
*Therizinosaur the Sickle Claw*  
This Cretaceous theropod had enormous claws! What else do we know? Make a sickle claw to take home.

**1:00PM Family Workshop, Mahlborg Auditorium**  
*Digger! Dinosaurs: Utah!*  
Join us for an expedition! What was the Morrison Formation like in the Jurassic? Dig into your project.

**2:00PM Chris Brochu, Ph. D., University of Iowa\***  
*Crocodies: The Myth of the Living Fossil*  
Explore the diversity of these ancient reptiles.

**1:15PM Scott Foss, Ph.D., Utah BLM\***  
*Trex of the Tertiary*  
Reconstructing the Most Terrifying Beast since the Dinosaurs. These giant prehistoric mammals were called "Pigs from Hell!"

**3:30PM Lindsay Zanno, Ph.D., Field Museum\***  
*Therizinosaurus: A New Look at "Predatory" Dinosaur Evolution.* Meet the Edward Scissorhands of dinosaurs.  
**5:00PM VIP Reception & Mixer, Mahlborg Auditorium**  
Book signing and photo opportunity. Open to all ages, includes beverages.

**2:30PM Robert Reisz, Ph.D., University of Toronto\***  
*The Oldest Known Dinosaur Embryos*  
and their Evolutionary Significance  
**3:45PM Scott Williams, Burpee Museum\***  
*The Best Year Yet!*  
The 2008 Burpee paleontological field season produced big results in the form of *Allosaurs, Camarasaurus, Stegosaurus, Apatosaurus and Diplodocus*, all in one giant quarry. Learn more about the site that made National Geographic's top ten discoveries list and find out about traveling to Utah & Montana with Burpee's crew.

**6:30PM Doors Open at Veterans Memorial Hall**  
**7:00PM Dinner Buffet Opens**  
**7:30PM Balcony Seating Opens**  
**8:00PM Presentation by Dr. Robert T. Bakker**  
*"Veggie-Saurs Rule!"*  
Hooraay for the plant eating dinosaurs! Dr. Bob presents on the duckbill "nummy", Leonardo.
